

Superhero Idea

Ishan Outram

THE SPACE BOT Concept

Materials

- 3 LED Lights
- Poster Board
- Scissors
- Sharpies and markers
- Tape

Inspiration

- Marvel Comics is a major inspiration
- I love to draw characters
- Iron Man has a similar suit to Space Bot

The Creation

- Pin- up drawing of the character on a poster board
- Cut out holes for the lights to fit in
 - Comic style

The Tech

- LED lights will pop of Space Bot's eyes and chest.
- Programmed sounds will play when the character lights up.
